RESOLUTION #08-01 OF THE PARKER ECONOMIC DEVELOPMENT COUNCIL

Support for the Construction of a new Parker Safety Center in Lincoln Meadows

Purpose: To memorialize and outline the Parker Economic Development Council's support of the Town of Parker's efforts to construct a new Parker Safety Center in Lincoln Meadows.

1. A strong, active and vibrant police department adds immeasurable value to a community, from both civic and business vantage points.

2. We applaud and recognize the Town of Parker's responsible management of limited space and facilities in running an efficient and successful police department.

3. Parker's current police station is no longer of sufficient size to meet the needs of our ever-growing residential and business population base.

4. The PEDC commits to review and promote the Parker Safety Center in Lincoln Meadows for the Town of Parker.
